15.00 - 19.30 Monika Styczek - Kuryluk: Declaration of Peasants' Rights in the context of CAP change after 2020

a/ Analysis of farmers' involvement into political processes and decisions on law regulations in farming sector

b/ The road map of communication between the farmers and the officials (how it is now, and what we want to achieve) - introduction.

How to get involved in the CAP process after 2020 in the Declaration version - everyone who is involved into the interaction with other users like: school head, politician, minister, president, UN representative, European Commission representative etc. Everyone will have to defend their interests. The role play is to consider a different perspective from what we are doing and who we are. In this part, we will see how the same document - Declaration of Peasant Rights, is perceived differently by different social groups.

The effects of this workshop will be the starting point for the development of a communication road map on the Declaration
